Interior Design by Jessica Buckley

The *List by House & Garden*'s selection of interior designers are equipped with the knowledge and expertise that is worth investing in. With personal client relations and a brilliant eye, these fourteen design studios are definitely ones that you should be sure to keep an eye out for...

Interior design by Blank Slate

Blank Slate

Blank Slate aims to understand the detailed perspective of each of the clients they work with. They believe this to be a central aspect of design that ensures comfortable and approachable spaces.

The founder of Blank Slate, Bari Jerauld draws upon her varied professional experience and diverse background to help set her studio up for success across a wide range of projects and client needs.

Interior Design by Côte de Folk

Côte de Folk

Interior design company, [Côte de Folk](#), specialise in residential and boutique projects, creating spaces that are both authentic and unique. They aim to strike a balance between taking prompts from the property and the client's vision.

Sophie Rowell, founder of Côte de Folk, makes it her mission to work with clients in order to create a space that can transform the mundanity of life. Those who she has designed for “often say that she has given them the home they have always wanted.”

Interior design by Crawford Design

Crawford Design

The team at [Crawford Design](#) are dedicated to beautiful architecture and interior design practice. Through the recognition of each client's unique style, Crawford Design is successful in carrying forward the aesthetic aspirations of their client.

Crawford Design's founder, Olivia Crawford, has been working with architects, interior designers and visualisers of the highest calibre. Olivia always finds harmony between classical and modern features whilst allowing the client's personality to shine through.

Interior Design by Golden Design Tom Carter

Golden Design

[Golden Design](#) describes their style as “eclectic, colourful and elegant,” creating spaces that are synonymous with the way that their client wants to live in their personalised home.

Ellen Cumber founded Golden Design in 2013 and began her career as a trained fine artist before developing a keen interest in interiors. Senior designer Alice Bettington is also passionate about interiors and makes her mission to discover new craftspeople and antiques dealers to work with. Together they are able to foster wonderful connections and create spaces that reflect the client.

Interior Design by Hamillford Design

Hamilford Design

Hamilford Design offer a range of services, from refurbishments to project management, the strong team that propels Hamilford forward makes sure to always cover the creative avenues of interior design.

Led by Manuela Hamilford, this interior design studio has flourished for the past 25 years. Hamilford Design makes it their priority to centre the client's lifestyle, taste and story in each project. This ensures that the personality of each project is not lost on the input from an outside perspective.

Interior Design by Henry Prideaux Tom Sullam

Henry Prideaux Interior Design

Henry Prideaux creates original and authentic spaces through the clever combination of classic and contemporary interior styles. This emphasises the original character within each property which when united with the client's taste, becomes a beautifully decorated environment.

Henry Prideaux and Amy Paice were able to combine over thirty years of industry knowledge and experience together when they established Henry Prideaux Interior Design in 2014. Considering each project as “an opportunity to create something totally unique,” is a factor that helps the team tailor their work towards a client's brief.

Interior Design by House Nine Design Robin Quarrelle Photography

House Nine Design

House Nine Design believes in creating timeless spaces that always deliver on brief, time and budget. This London-based studio provides complete interior design services, ensuring that there is everything for everyone. By combining warmth and informality, House Nine Design can ensure a smooth process that is ideal for the client.

Founder and Lead Designer Jojo Barr established House Nine Design in 2015, following her studies in interior design. Trusting in a hands-on approach to design allows Jojo to foster loyal relations with her clientele. She has “a strong understanding of how interiors come together, from the architecture of a space to the furniture and soft furnishings that fill it,” making Jojo an exceptional design lead.

Interior Design by Jenny Luck Interiors

Jenny Luck Interiors

Jenny Luck Interiors is the accumulation of fifteen years' worth of experience in the interior design sector. Yet, this wealth of wisdom has not relinquished Jenny's ability to make her approach to her work deeply personal. By collaborating closely with her clients, Jenny can align strongly with their lifestyles and tastes.

Jenny Luck Interiors describes their style as “mixing classic and contemporary through the use of exquisite furnishings and materials to create timeless and comfortable interiors.” This is reflected in the imagery above, meeting the antique chair and rug with the clean aesthetic of the countertop.

Interior Design by Jessica Buckley ©ZAC+ZAC LTD

Jessica Buckley Interiors

Established in 2011, [Jessica Buckley Interiors](#) is an interior design service that can provide full tailoring for all clients. Jessica and her small team are able to foster a client-focused environment, placing the needs and desires of those they collaborate with at the forefront of any project.

Jessica Buckley Interiors “always design homes to be comfortable, welcoming and relaxing.” Jessica’s aesthetic and lifelong passion drives her service forward and inspires her design approach, putting her love for beautiful fabrics as a central point in her work.

Interior Design by Katie Cardew

Katie Cardew

UK-based interior designer, [Katie Cardew](#) makes it her priority to transform all houses into homes. By designing with the client and their family at the heart of the project, Katie makes sure to prioritise the lifestyles of those living within.

In 2013, Katie established her career as an illustrator, where she produced a range of homeware and illustrated prints. This experience as an artist has helped Katie to find her niche, where she loves creating “colourful, characterful and happy rooms.”

Interior Design by Laura Stephens

Laura Stephens Interiors

[Laura Stephens Interiors](#), an established interior designer specialising in residential spaces, likes to combine the desires of her clients with her profound knowledge and expertise in her work. From large townhouses to smaller spaces, Laura makes sure to tailor her work to the brief.

Working with both carpenters and furniture makers is a passion of Laura's, where she makes it a priority to source new and antique furniture for her services. Believing that a “home should be a sanctuary” is a core belief for Laura, one that she aims to achieve in her work.

Leoma Harper

Leoma Harper can be described as a “classic mix of timeless elegance” that is set in motion by her passion for transforming homes into functional spaces. She provides enthusiasm for all projects, from full makeovers to a few tweaks here or there, Leoma ensures to capture her client’s dreams.

Leoma finds inspiration across a variety of styles: from classic to contemporary. She combines this aesthetic with her years of experience, ensuring she can create timeless spaces that are accessible to all.

Interior Design by Oakley Moore

Oakley Moore

Oakley Moore provides a range of interior design services, from full renovations to one-room consultancy, they make sure to cater for all requests. With an ethos of ‘friendly, flexible and intuitive’, Oakley Moore places their clients at the centre of each project so they can understand each and every brief.

Founder of Oakley Moore, Kate Aslangul, has a unique perspective on interior design, sparked by her passion for renovation. Through this she places the comfort of a space as a higher priority than its aesthetic value, believing that understanding how the space will be used is an important factor.

Interior Design by Fox Interior Design

Fox Interior Design

[Fox Interior Design](#), is a studio that focuses on providing detailed attention to every project that they take on board. They prioritise a personable and enjoyable experience, making sure that all clients feel the team truly understand their brief.

Fox Interior Design launched in 2000, with the intention of guiding clients every step of the way on their journey to installation. From family homes to commercial properties, the design studio undertakes a wide variety of projects completing them to prevail over their unparalleled reputation.

We hope this article has helped you discover a new interior designer with the ability to help you make your dreams a reality.
